3. Sports activity
4. Students achievements

The meeting began at 03:10pm. Mrs. Bindu Vijaykumar welcomed all the member present.

Discussion about the agenda

- 1) August & September events various events & competition of the primary & secondary section were shared which included Janmashtami Celebration, Independence Day Celebration, Hindi Divas, Essay writing, Drawing. Students also participated in the Music & Sports competition held outside school.
- 2) Sport Activity: Inter house matches such as Kabbadi, Volleyball, Basketball etc. were held Students like Parth Lohakare and Roshan Shilavat participated in Badminton & Taekwondo at district /state level respectively. Roshan won silver medal.

Mrs. Bindu Vijaykumar explained the objective of the competitions & the outcomes the skills addressed through these events and competitions. She further explained the role of the teacher as a facilitator & parents as a support when the children are involved in these events.

Inauguration & plan of ATL Lab was also organized in the month of August. The students working in ATL are working on models that can be used in real life & has meaningful applications.

- 3) Students achievements : One of the ATL project is selected on a national level by CBSE .Where 30 schools projects all over India were selected. 2 from Maharashtra & our school is the only one from Nashik. The parents were curious to see the project of the students. Mrs. Bindu Vijaykumar explained how every event is reflection of every learning outcome. These events are an opportunity for the students to have experiential learning. She insisted parents to stop sending children to tuition & to encourage self study & to allow them to take ownership of their learning. Bindu mam thanked the members and concluded the meeting.
