RIS - 20-21/77

Date: 25th January 2021

Dear All,

Various School-level Competitions are being planned with the objective to blur the ostensible separation of 'vocation' and 'academics' as envisioned in the recently launched National Education Policy (NEP).

It may be appreciated that in today's context, education is not just about learning to know, but also about learning to do, which necessarily means, 'acquiring not only an occupational skill but also the competence to deal with many situations and work in teams, and a package of skills that enables one to deal with the various challenges of working life'

In this regard, CBSE in partnership with NSDC shall be conducting the *Junior Skills Championship – JuniorSkills - 2021* and contribute in disrupting the vocational and academic landscape of India and drive the youth of the nation towards self-reliance at an early stage so that they can contribute towards 'Make in India' while focusing on 'AtmaNirbhar Bharat'.

To promote and create awareness among the students and expose children to its utility and value of art, RIS has organized Digital Photography for grade 6 and 7 Students.

Photography is not only a very popular hobby, but also a very rewarding profession. It is said, "A picture is worth a thousand words!" Even multitude of ideas can be conveyed by a single photograph. With immense opportunity of self-employment in the business of photography, it has great potential for primary as well as secondary income

Photography could be for you, if you

- ✚ • Have an aesthetic sense
- ✚ • Have an eye for detail
- ✚ • Are creative and imaginative
- ✚ • Love to photograph people, places, and events

Test Project

- ✚ Portrait Photography
- ✚ Landscape Photography
- ✚ Industrial Photography
- ✚ Street Photography

There will be filtration process for the above contest. After submission of the work, it will be uploaded on the official website and will have Filtration process. The process steps are attached for your reference.

#### Filtration process

Level 1 – MCQ- Screening (1 hour)

Level 2- Qualifying (2-3 hours)

Level 3 – Pre Nationals (3-4 hours)

Level 4 – National – Physical (4-5 hours)
