Dear Parents,

A book is the store house of knowledge and experiences. Characters create or push a plot forward. No story would be a story without characters to define it. A Protagonist is the main character of a story; we experience the story through his eyes.

Competitions are especially designed to bring out student talent, inspiration and capabilities. To encourage our students' literary talent, the school has organized House wise Protagonist competition for Grade 6 to 10. Students can fill the registration form **by clicking on the URL link provided below: <https://forms.gle/KoAWoV2nmvKWvkyc8>**

**The registration form will be open till 7<sup>th</sup> October 2020.**

Once registered, the students will prepare their script on the chosen protagonist. The script will be written in 1<sup>st</sup> person through the lens of the chosen Protagonist. Students will seek feedback for their content and other queries from their English language teachers. Recording of student video should be submitted by 12<sup>th</sup> October 2020. Recordings of the winners will be shared on school Fb account on 15<sup>th</sup> October 2020

**Guidelines for presentation:**

Students will video record their script which should not exceed 3 minutes in duration.

Students will dress up as the chosen Protagonist. **(Be creative to use the available resources at home for the required props and outfit)** while recording their speech.
