E-Raksha Competition 2020

Dear Rasbihari Parents,

CIET-NCERT in collaboration with **Cyber Peace Foundation** and **National Commission for Protection of Child Rights (NCPCR)** have launched **e-Raksha Competition 2020** for students, teachers and caregivers (parents or guardians).

In times of Covid-19 pandemic, virtual classrooms have become the new norm and digital media has become an invaluable tool for the children and youth to continue their learning. Internet has become one of the prime sources of information, collaboration and social interaction across the globe. It is, therefore, the urgent need of the hour to educate the young minds to use the potential of Internet for their learning and growth and become smart and safe.

Participants will be encouraged to think creatively what **online safety and digital citizenship** means to them and share their ideas through any one of the following:

Group I - Grade 6: Artcade (painting, poster, sticker, sketch)

Group II - Grade 7 & 8: Short self-created Videos

Group III - Grade 9 & 10: Wordhack (articles, stories, blogs, essays)

Participants will have to register online on the e-Raksha Portal - <https://www.eraksha.net>

Once registration is done successfully, you will receive their Unique IDs. Using this ID you can submit the digital copy of your submission on the e-Raksha Portal. Participants are requested to read the guidelines for submission on the portal and upload the digital entry in the format as detailed.

Regards,

Principal
