Dear Parents,

This is to inform you that the school has always taken the initiative to share a platform for students to enable them to make informed choices on various sensitive issues. Towards this initiative an organization named "Seeds of Awareness" from Mumbai has always been actively supporting and guiding students.

We are beginning a digital project with Grade 6 and 7 students, in this module there are 7 films in which Phoga and Munni confront different everyday issues that exist due to gender socialisation. Some of the issues that the films focus on are Gender discrimination, Gender roles, Gender based conditioning and its impact, Body image, Peer pressure, Eve teasing, Romantic relationships and boundaries etc. By watching the films, the students will be able to empathise with the characters and recognise the hidden opportunities and/or choice points in their daily lives that shape their future. They will recognise the impact of socialisation and how the cycle of violence and ignorant choices can continue if they do not break it by making informed choices.

This will be a 7 weeks program. Students are requested to attend the class as per the schedule given below

1. Grade 6 Monday 12.50 to 1.50 pm
2. Grade 7 Tuesday 1.20 to 2.20 pm

Mr.Sylvestor Kanapilly and Ms.Sarika Chavan will be conducting the classes along with the resource members from SOA team.

The timetable remains the same for the month of December; the only addition is the 7 weeks session added for Monday and Tuesday respectively for Grade 6 and 7.

Looking forward for your kind support to help the students attend the sessions regularly.

With Regards, Bindu Vijaykumar
