Subject: Rescheduled Medical Check-Up for Absentee Students

Dear Parent,

This is to inform you that the medical check-up for students who were previously absent has been rescheduled on August 1st, 2024, Thursday. It is crucial that your child attends this scheduled check-up to ensure their records are up to date.

If your child is unable to attend the check-up on this date, you will need to arrange for the medical check-up to be conducted independently. In such cases, please ensure that you provide us with a completed medical report signed and stamped by the attending doctor.

Your cooperation in this matter is greatly appreciated, as it helps us maintain accurate health records for all students.

Thank you for your attention and support.

Best regards,

  
Principal
