“Gratitude, Growth, and Looking Ahead.”

Dear All,

As we bring this term to a close, I want to extend my heartfelt gratitude to every member of our school community for your unwavering support and active participation in our shared learning journey.

To our wonderful parents – thank you for being true partners in education. Your willingness to understand and support your child’s unique learning needs has made a significant impact. A special appreciation goes to all the mothers who took time to participate in our “Coffee with Mom” sessions – your presence, insights, and warmth have enriched the experience for all of us.

To our dedicated teachers – your tireless efforts to understand each child, adapt to their learning styles, and provide personalized support have not gone unnoticed. You are the heart of this institution, and your commitment is truly inspiring.

And to our ever-reliable administrative team – thank you for working behind the scenes, often around the clock, to ensure that every logistical detail is handled seamlessly. Your support ensures that the learning environment remains smooth, safe, and effective for all.

And most importantly, to our dear students – thank you for your enthusiasm, your curiosity, and your willingness to learn and grow. Your active participation in class, your resilience through challenges, and your eagerness to explore new ideas have been the true driving force of this term. You continue to inspire us with your energy, creativity, and commitment.

As we look forward to the next term, let us carry this momentum with renewed energy and purpose. Every challenge is an opportunity to grow, and every day is a chance to make a difference. Let us continue to nurture curiosity, build resilience, and inspire each other to strive for excellence. Together, we will continue creating a school environment where learning is joyful, meaningful, and inclusive for every child.

-Ms. Bindu VijayKumar

Principal (Rasbihari International School)

"Entrusting a new generation with responsibility"

The Investiture Ceremony at Rasbihari International School on 13th June 2025 was a proud and inspiring event. The atmosphere was filled with excitement as newly elected student leaders prepared to take on their responsibilities.

The ceremony symbolized the power of trust, responsibility, and the spirit of leadership. The highlight was the oath-taking, where students pledged to serve with dedication, integrity, and humility—a powerful reminder that leadership is rooted in service, not authority.

Watching these young leaders step forward with confidence was truly uplifting. They now serve as role models, shaping the culture and values of the school.

This event reinforced the idea that student leadership is not just about holding a title, but about making a difference through actions, empathy, and commitment. Congratulations to the new council—may you lead with purpose and inspire others along the way.

"Gateway to Mathematical Wonders."

Organizing the Mathopedia Event was a truly enriching experience. Designed for primary students from Grades 1 to 5, the event aimed to make learning mathematics interactive, engaging, and enjoyable. I feel very grateful to be a part of this initiative.

Mathopedia offered a platform where students could experience math hands-on through games and interactive play. This approach strengthened foundational concepts. It proved that when math is taught creatively, it becomes something students look forward to, rather than fear. It was both a challenging and rewarding journey that successfully brought together students and math enthusiasts in a shared celebration of learning. It allowed me as a teacher to observe students strengths and areas for improvement. Through this event, students learnt to apply math concepts to real-world scenarios, making their learning more practical and meaningful.

-Ranjana Sabane

"Confidence starts with your voice."

I was really excited when I heard about English Elocution Competition because I love speaking and wanted to try my best. On August 2, 2025, we got a chance to show off our speaking skills in front of everyone, and it was an amazing experience.

Ms. Sehnaz Irani, our judge, was so kind and encouraging. She made everyone feel comfortable even though we were nervous. I had prepared for weeks, practicing my speech, and when I finally got up on stage, I felt a little scared, but I also felt proud of myself for being brave. I made sure to speak clearly and with confidence, just like we were taught. It felt really good to see the audience listening to me.

The competition wasn't just about winning; it was about learning and improving. I realized how important it is to communicate well, and how public speaking helps with that. It made me feel more confident about speaking in front of others. Ms. Irani gave us all some really helpful feedback, and I could tell that she cared about our improvement. She also praised our efforts, which made me feel really happy and motivated.

-Adwik Kuwar

"शब्दांना द्यावी नवी पालवी, कवितेतून फुलवावी मराठीची हाक"

आजचा काव्यवाचनाचा कार्यक्रम खूपच छान झाला. या कार्यक्रमात आम्ही वेगवेगळ्या कविता ऐकल्या - काही मजेशीर, काही शांत, तर काही भावस्पर्शी होत्या.

"शाळेत गेलो रोज सकाळी..." सारखी कविता ऐकून हसू आलं, तर "संध्याकाळची शांतता" या कवितेतून खूपच शांत आणि प्रसन्न वाटलं. वीर रसाच्या कवितांनी मनात एक वेगळीच ऊर्जा दिली, आणि श्रृंगार रसाच्या कवितांनी प्रेम आणि सौंदर्याची भावना निर्माण केली.

काही कविता ऐकून मन खूप हलकं झालं, आणि काही ऐकून अंतर्मनात विचार सुरू झाले. सर्व विद्यार्थ्यांनी खूप मेहनत घेऊन छान सादरीकरण केलं.

सूत्रसंचालकांनी प्रत्येक कविता ऐकल्यावर दिलेल्या प्रतिक्रिया खूप प्रेरणादायक होत्या.

या कार्यक्रमामुळे कविता वाचनाचा एक वेगळाच आनंद मिळाला आणि कविता म्हणजे फक्त शब्द नाहीत, तर भावना असतात हे लक्षात आलं. एकंदरीत हा कार्यक्रम खूपच छान, शिकवणारा आणि आठवणीत राहणारा होता.

पुढील वेळी आम्ही स्वतः कविता लिहून सादर करायचा प्रयत्न करू!

-सुलोचना चव्हाण

"सुनाने का हुनर, बदलने की ताकत।"

"Swayam Adhyayan aur Coaching Sanskruti"

Participating in the Hindi elocution on the topic "Swayam Adhyayan ani Coaching Sanskruti" was an enlightening experience. The topic made me reflect deeply on the importance of self-study in shaping one's knowledge and character. While coaching institutes provide structured guidance, I realized that true understanding and learning come from self-discipline, curiosity, and personal effort.

Preparing for this elocution helped me organize my thoughts and balance between independent learning and external coaching. I learned to articulate my ideas clearly, providing examples from daily life where self-study can lead to better retention and critical thinking. It also encouraged me to think critically about the growing coaching culture and its impact on students' ability to think independently.

During the presentation, I felt more confident in expressing my opinions in hindi and connecting with the audience. The experience reinforced the value of preparation, practice, and clarity of thought, not only in academics but life in general. Overall, this elocution was not just a speaking exercise, but a personal learning journey that emphasized the power of self-motivation and conscious effort in education.

"Celebrating the men behind our smiles."

The Father's Day celebration was a heartwarming event that brought together Kindergarten students and their father, father figure in meaningful ways. Through creative activities like hand-made cards, interactive games, and a lively dance, children and their parents strengthened their bonds while developing important skills such as fine motor coordination, listening, and communication. The event fostered emotional connections, confidence, and social interaction, culminating in a joyful environment. Students performed on songs that celebrated community and togetherness. Overall, it was a beautiful reminder of the love and guidance fathers provide in their children's lives.

Music Day at school was one of the best events I have ever seen! I got very excited when I saw the poster about it. On the day of the event, the program started right after the morning assembly. The guests arrived, and everyone was happy and excited. We had practiced our songs, and our teacher took us for the celebration.

In the first half, we watched some parts of the event. The musician explained the importance of Bharud and Gondhal. In the second half, a singer, guitarist, and member of the popular band MH15, sang some melodies. Students also got a chance to sing many songs, including Marathi songs. The students sang songs about friendship, nature, and many other topics. Vaibhav sir demonstrated and also performed on traditional Indian folk instruments such as the Sambal, Shankh, and others. Everyone enjoyed the music.

The event was amazing and we all enjoyed it very much! That experience was very enjoyable and exciting! It was my favourite event till now!

"Every hand counts, every voice matters."

Community outreach is an important way of giving back to society and helping those in need. It teaches us the value of compassion, teamwork, and responsibility. By taking part in outreach activities, we get a chance to connect with different people, understand their challenges, and contribute in small but meaningful ways to make a difference.

Through community outreach, I have learned that even simple acts of kindness—like donating, volunteering, or spending time with others—can bring hope and happiness. It reminds me that we all share a duty to support and uplift our community.

This experience has helped me grow as a person. It has made me more aware, grateful, and motivated to continue helping others whenever I can. Community outreach is not just about service; it is about building a stronger, more caring world together.

"Together for a cause, united for change."

“Small steps for a healthier life.”

The Healthy Habit Week was a fun and engaging way to teach children important life skills. Through stories, rhymes, experiments, and hands-on activities, students learned about nutrition, hygiene, hydration, movement, and emotional well-being. The highlight was the “Fire Free Feast” activity with parent involvement, which added excitement and strengthened the home-school bond. Overall, the week promoted healthy habits in an enjoyable and age-appropriate manner.

"Curiosity is the compass, learning is the journey."

"Protect our planet, preserve our future."

World Environment Day is a reminder of how important it is to take care of our planet. It is celebrated every year on June 5th to encourage people around the world to protect nature and promote a healthy environment. This day reminds us that the Earth is our home, and it is our responsibility to keep it clean, green, and safe for all living beings.

Through celebrating World Environment Day, I have learned that even small actions—like planting trees, saving water, reducing waste, and avoiding plastic—can make a big difference. It teaches us that every person has a role to play in protecting the environment.

This day inspires me to be more aware of my habits and to live in a way that helps the planet rather than harms it. It reminds me that caring for the environment is not just a one-day event but a lifelong duty. By working together, we can create a cleaner, greener, and better world for future generations.

"Walking for a purpose, shining with pride."

The event saw enthusiastic participation from both mothers and fathers, who were impressed with their creative costumes and lively character portrayals based on themes like community helpers, rhyme characters, and cartoon characters. Parents engaged in entertaining performances with rhymes and short talks, bringing visible excitement to the children. Their confident and spirited involvement set a positive example, and many have already expressed interest in joining next year's competition.

**“Think beyond boundaries,
tinker without limits.”**

"Breathe-in peace, breathe-out stress."

Organizing the Yoga Day event was a truly fulfilling experience. It was heartening to see enthusiastic participation from students, especially from the Pre-Section, who showed great energy and discipline. The presence of our special guest added value and motivation to the session. The event ran smoothly, with all planned activities executed successfully. It was inspiring to witness the unity and calm that yoga brought to everyone.

We also celebrated Music Day with equal enthusiasm, where students visited the Music room, which created a joyful and harmonious atmosphere, making the celebration truly special.

"Safe & Sizzling: Fire-Free Cooking!"

The Fire Free Feast activity, conducted as part of Healthy Habits Week, was a highly engaging and successful event. It provided a wonderful opportunity for children and parents to come together and explore the importance of healthy eating in a fun and interactive way.

Children participated with great enthusiasm and curiosity, observing and assisting their parents in preparing nutritious, fireless recipes. This hands-on experience helped develop their fine motor skills, vocabulary, and understanding of healthy food choices. The wide variety of creative and colorful dishes also sparked their interest in trying new and wholesome foods.

Parental involvement added immense value to the event. Parents came well-prepared with ingredients and ideas, and their active participation created a warm and collaborative atmosphere. It was heartening to see families working as a team, sharing joyful moments, and reinforcing healthy habits at school and home.

Overall, the activity successfully met its objectives by promoting nutrition awareness, encouraging creativity, and strengthening the home-school connection. It was a memorable experience that highlighted the importance of involving families in the learning process.

- Ms. Vaishali Pote

"Peace begins with a smile"

"Celebrating the hearts that built ours."

The Grandparents' Day celebration was a heartwarming event filled with joy, learning, and love. Children expressed their affection through shlokas, rhymes, and songs, showcasing their talents with confidence. Engaging games like musical chairs, tune guessing, and riddles brought fun and laughter, encouraging participation from all. The highlight was the flower craft activity, where children presented handmade flowers to their grandparents as a token of love and gratitude. Overall, it was a beautiful celebration that strengthened the bond between generations and created lasting memories for everyone involved.

**"With Gratitude to
Our
Guiding Stars."**

Happy Teachers Day.

"Celebrate the divine rhythm of faith and devotion."

Ashadi Ekadashi is a sacred and joyful day that holds great importance in the lives of many devotees. It marks the devotion of people towards Lord Vitthal (Vithoba) and celebrates faith, discipline, and spiritual dedication. On this day, devotees observe fasts, sing bhajans, and participate in prayers with pure devotion and gratitude.

The celebration of Ashadi Ekadashi also reminds us of the famous Wari pilgrimage to Pandharpur, where thousands of warkaris walk together, chanting the name of Lord Vitthal. Their unity, faith, and perseverance inspire us to stay strong in our beliefs and remain humble and devoted in our lives.

For me, Ashadi Ekadashi is not just a festival, but a reminder of the power of faith and togetherness. It teaches us to purify our minds, control our desires, and walk on the path of truth and goodness. It's a day to reconnect with our spiritual side and to find peace within ourselves through devotion and gratitude.

"From Mathura to every heart – Krishna is born again today."

Janmashtami Celebration

Janmashtami celebration was a joyful and meaningful event for our little ones. The children actively participated and enjoyed the activities.

The Sr. KG students performed a beautiful role play on the story of Kalia Naag, showing how Krishna saved the village. They acted with confidence and excitement. It was heartwarming to see them understand the story in a fun way.

The children were dressed as Radha, Krishna, and villagers, which added charm to the celebration. Their dance performance in traditional village-style attire brought energy and smiles to everyone. And the decoration was perfect as per the theme it added the effect. And The kathak was one of my favorite!!

Through this celebration, children learned about Lord Krishna's life, values of bravery and kindness, and the spirit of togetherness. It was a great way to connect culture with early learning.

Children were full of enthusiasm and happy and to see them learning through celebrations.

**"Remember the heroes,
cherish the freedom."**

Independence Day reminds us of the courage and sacrifices made by those who fought for our freedom. It is a day to look back with gratitude and look forward with responsibility. True independence is not only about being free from foreign rule but also about upholding values like unity, equality, and justice. This day inspires us to contribute to our nation's progress and to protect the hard-earned freedom we enjoy today.

"Celebrate the mentors who inspire greatness."

Guru Purnima is a special day dedicated to honoring our teachers and mentors who guide us in the path of knowledge and wisdom. The word "Guru" means the one who removes darkness and brings light into our lives. On this day, we remember and thank all those who have taught us valuable lessons — not only our school teachers but also our parents, elders, and anyone who has helped us grow.

Guru Purnima reminds us of the importance of learning, respect, and gratitude. It teaches us that true knowledge is not just about studies, but also about becoming a good human being. We should always value our gurus, follow their teachings, and try to live by the principles they have shown us.

This day inspires me to be more respectful, disciplined, and eager to learn. It also reminds me that one day, I can guide others with kindness and knowledge, just as my gurus have guided me.
